Pre-Purchasing a Burial Plot or Cremation Deed

Melbourne Specific

Pre-purchasing a burial plot ensures your choice of burial plot position within the cemetery grounds; and the security of knowing that the price is secured at today's prices.

Individual cemeteries may vary in their prices and policies.

Pre-purchase of a cremation deed is secured at a reduced price of today's rate.

It can be a saving of up to \$100 (based on a service held on a weekday). Only some Crematoriums offer this service, and any savings will vary between states and providers.

NSW, QLD, ACT, NT, WA, and SA specific

Pre-Purchasing discounts for cremation deeds are not available.

The cost however, if you do choose to Pre-Purchase, is guaranteed not to fluctuate with price rises within the industry.

Please Note: Pre-Purchasing in these states requires that you sign a Pre-Paid funeral contract through a Funeral Director.

For information on cemeteries throughout Australia, please visit
